NOORD

The map is a detailed topographic representation of a rural area. A red polygon highlights a specific site, which is elongated and follows a road or railway line. The site is located between the settlements of Kapenberg and Ker. Key geographical features include the Kemmeke beek (stream) flowing through the upper part of the map, and the Slachhuis Sluis (mill sluice) located near the highlighted site. Other place names visible on the map include Kemmeke, Broevink, Kapenberg, Ker, Slachhuis, Mansteen, and St. Annakapel. The map also shows various roads, including a main road (N16) and several smaller roads (N2, N12, N14, N15, N16, N17, N18, N19, N20, N21, N22, N23, N24, N25, N26, N27, N28, N29, N30, N31, N32, N33, N34, N35, N36, N37, N38, N39, N40, N41, N42, N43, N44, N45, N46, N47, N48, N49, N50, N51, N52, N53, N54, N55, N56, N57, N58, N59, N60, N61, N62, N63, N64, N65, N66, N67, N68, N69, N70, N71, N72, N73, N74, N75, N76, N77, N78, N79, N80, N81, N82, N83, N84, N85, N86, N87, N88, N89, N90, N91, N92, N93, N94, N95, N96, N97, N98, N99, N100). The map is oriented with North at the top, as indicated by the 'NOORD' label and the compass rose.
